Five Little Scarecrows

Five little scarecrows
by the old barn door;
one went home
and then there were four.

Four little scarecrows
by the old oak tree;
one went home
and then there were three.

Three little scarecrows
with nothing to do;
one went home
and then there were two.

Two little scarecrows
out in the sun;
one went home
and then there was one.

One little scarecrow
out in the field;
one wasn't fun
so then there were NONE!
