SYLLABLE COUNTING CLIP CARDS

ABOUT THIS ACTIVITY

This activity contains 3 sets of syllable clip cards and printable arrows. The sets are color-coded for easy sorting. A cover is included with each set so that you can bind the cards together if you choose.

Printable arrows are included with the activity. You will also need at least one clothespin clip to complete the activity.

THE RESOURCE INCLUDES THE FOLLOWING SETS

- **Orange Set** (the compound word set) - 27 clip cards, 1 and 2 syllable words
- **Green Set** - 27 clip cards, 1 and 2 syllable words
- **Purple Set** - 27 clip cards, 1, 2, and 3 syllable words

ASSEMBLY

Print and laminate the clip cards and arrows. Then, cut them out on the dotted lines.

Attach a laminated arrow to the top of a clothespin clip with double-stick tape, glue dots, or with a glue gun. The arrow should point towards the end of the clothespin that opens.

To create a syllable clip book, punch a hole in the top left corner of the cover and each clip. Bind the cover and clip cards together with a ring or brad.

DIRECTIONS

NOTE: It is easiest for kids to hear multiple syllables in compound words, so begin with the orange set before progressing to the green, and then the purple set.

To use the cards, demonstrate the following directions for your students:

1. Identify the large picture at the top of a clip card. As you say the word, clap your hands to emphasize the syllables.
2. Point out the two or three-syllable choices (claps) at the bottom of the card.
3. Attach the arrow clothespin clip so that it points to the correct number of

syllables (claps) in the word.

ADDITIONAL IDEAS

Self-Checking Cards: Make the cards self-checking by adding a sticker or a dot behind the correct answer on the back of the card.

Compound Word Sort: Kids can sort the orange cards into compound word sets. For example, children can place lip, stick, and lipstick together in a pile.
